

## METAL SAMPLERS

ICP offers a selection of fused silica-based products for molten metal sampling rings that allow for quick, convenient inclusion-free metallurgical sampling.

### The ICP Advantage

- Made in the USA
- ISO Certified
- Premium Materials
- Lighter Weight Technologies
- Custom Options
- Fast Delivery Times
- New Technologies

### Benefits of the products

- Consistent sizing and low coefficient of thermal expansion leads to more consistent evaluations

### Applications of the products

- ICP samplers are designed for use with the latest spectrographic analysis equipment
