

## SPECIALTY CERAMIC TUBES BENT, SEGMENTED, SQUASHED

ICP has numerous strainer core shapes, sizes, and hole configurations to meet our customers' metal flow requirements. Our strainer cores are made from high-grade mullite material and engineered for use in steel, gray, and ductile iron processes.

### The ICP Advantage

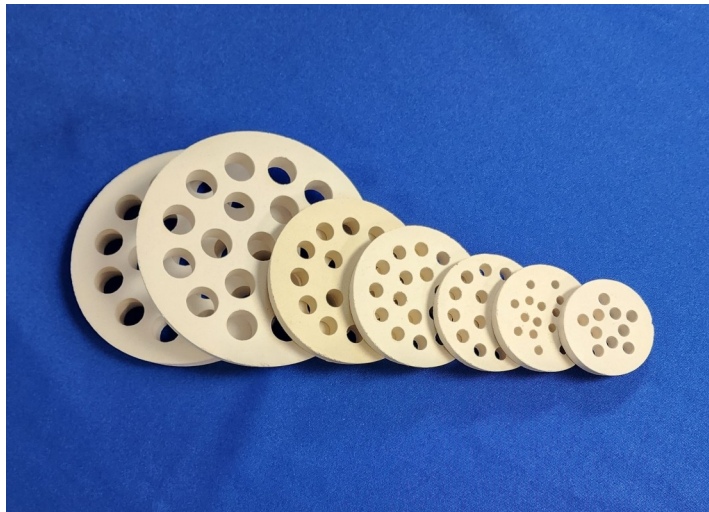

- Made in the USA
- ISO Certified
- Premium Materials
- Lighter Weight Technologies
- Custom Options
- Fast Delivery Times
- New Technologies

### Benefits of the products

- Reduces outgassing and vortexing
- Reduces slag

### Applications of the products

- Regulation of metal flow
